If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/19/08 has been entered.

Allowable Subject Matter

2. Claims 40-41, 47-50 and 54-60 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding claims 40 and 56, the prior art reference to Bisdikian (6047317) teaches a carousel which transmits higher priority data more frequently in order to reduce the image access time when a user attempts to access the image. The prior art reference to Davis (5559548) teaches application software for implementing or updating the interactive portion of an electronic program guide. The prior art of record fails to teach or fairly suggest determining which pages in a carousel contain links to a new page, modifying metadata for each page in the carousel containing links to the new page, determining which pages in a carousel are linked to by a new page, and modifying metadata for the new page for each page in the carousel linked to by the new page.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
